## 1.0 Release Notes for LGY Suite

### Release Notification

**From:** LGY

**Version:** 25.5.0

**Production Deployment Date:** April 1, 2025 @ 8:00 PM CT/9:00 PM ET

**Focus of Release:** LGY 25.5.0 release included updates to error messaging for when a lender sends a Loan Review API request, Additional Docs API request, Pre-Close API request, or GR API request and their account is inactive, processing of a LR API request message that contains a UCD file to accommodate refinance transactions, and processing of a LR API request message that contains a ULAD file to add additional checks for identification of files specific to the subject loan and borrower. These updates provide value to Veterans by ensuring by streamlining workflow processes, resulting in increased efficiency for LGY staff in the delivery of the home loan and SAH benefits to Veterans.

### 1.1 Bugs

Key	Component	Summary
LGY-1375088	LR API	This fix ensured when a lender sends a Loan Review API request, Additional Docs API request, Pre-Close API request, or GR API request and their account is inactive, they receive the following error message: "Your account was deactivated due to inactivity for 90 days or more. To reactivate your account, please work with your Lender Admin to have your Account reactivated."
LGY-1375317	LR API	This fix updated the processing of a LR API request message that contains a UCD file to accommodate refinance transactions.
LGY-1375522	LR API	This fix updated the processing of a LR API request message that contains a ULAD file to add additional checks for identification of files specific to the subject loan and borrower.
